

XXVth ISPRS CONGRESS

From Imagery to Understanding

SPONSORSHIP & EXHIBITION PROSPECTUS

July 4-11, 2026
Toronto, Canada

#ISPRS2026
www.isprs2026toronto.com

The ISPRS Congress is a unique opportunity that takes place only once every four years. All the decision makers, influencers, service providers, technical professionals, and professional mappers attend from around the globe to learn about the latest high-tech geospatial products using land, air, indoor, marine, and space platforms.

As a sponsor:

- ✓ You will showcase your geospatial products, services, and expertise to a targeted audience, fostering meaningful collaborations and driving your geospatial business growth. You will elevate your brand, build strategic partnerships, and stay ahead of the curve.
- ✓ Your brand placement will be present in all marketing materials, signage, websites, and social media channels of the ISPRS Congress for the next few years. Your visibility will be greatly enhanced among a targeted and influential audience, which includes the public and private sectors, as well as academia from around the world.
- ✓ You will be able to participate in different panel discussions, technical sessions, workshops and tutorials that will enhance your authority in the geospatial field.
- ✓ You will have a unique opportunity to network with the key players in the geospatial field, addressing surveying and mapping our planet using land mobile mapping systems, crewed and uncrewed aerial systems, indoor mapping and other state-of-the art technologies.

WELCOME MESSAGE

On behalf of the Canadian Remote Sensing Society – Société canadienne de télédétection (CRSS-SCT), it is my pleasure to welcome you to Toronto for the XXV ISPRS Congress. This event marks the return of the showcase ISPRS event to Canada (last held in Ottawa in 1972) and to North America (last held in Washington in 1992).

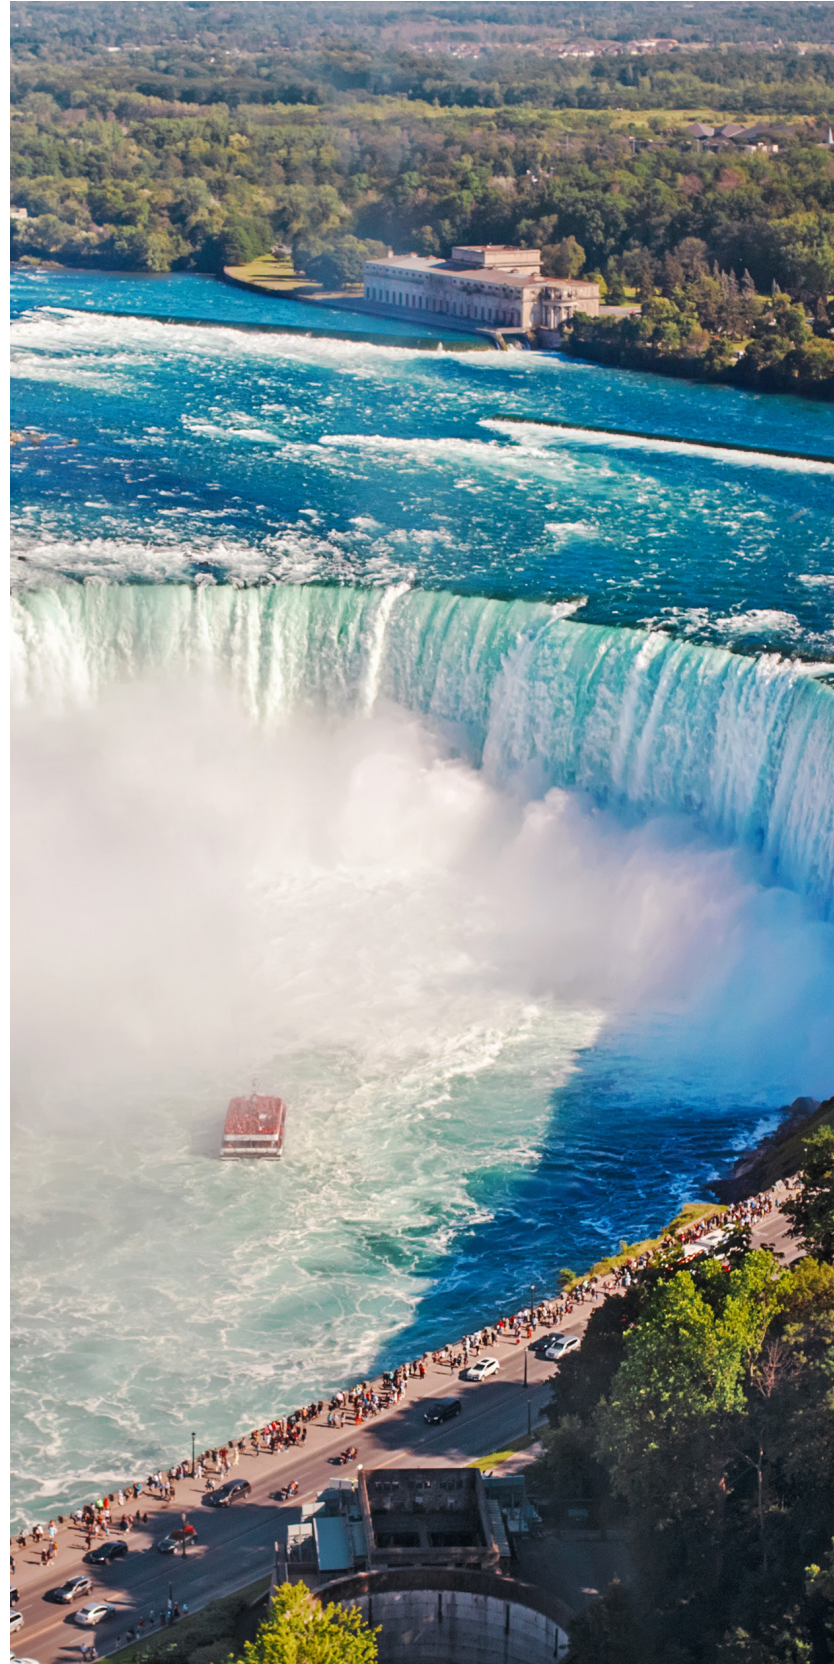

The Congress theme “From Imagery to Understanding” captures very well the role of ISPRS activities. Imagery, in its many forms, is our primary data source. The use of imagery distinguishes us from other disciplines and greatly defines how we work. Understanding can be interpreted as the end goal of the work we do: achieving greater awareness about the planet and its diverse peoples to meet the many challenges we face.

Congress Format

The Congress will be an in-person event. It will feature top level international scientists presenting their latest research, in particular leading-edge developments in artificial intelligence, machine learning, BIM and much more!

In particular, there are dedicated working groups devoted to topics such as:

- Multi-sensor Modelling and Cross-modality Fusion
- AI/ML for Geospatial Data
- Autonomous Sensing Systems and Their Applications
- Digital Construction: Reality Capture, Automated Inspection, and Integration to BIM
- Remote Sensing and Inclusive Development to Leave No One Behind
- Geospatial Environment and Health Analytics.

ABOUT HOST ORGANIZATIONS

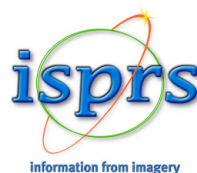

Canadian Remote Sensing Society
Société Canadienne de Télédétection

The Canadian Remote Sensing Society—Société canadienne de télédétection (CRSS-SCT) is a fully independent, not-for-profit professional society that provides a focal point for leadership and excellence to advance the remote sensing field. The CRSS-SCT maintains partnerships with other organizations in remote sensing, across Canada and abroad.

The Federal Government's Canada Centre for Remote Sensing (CCRS) was created in 1971 with Dr. Lawrence W. Morley as founder and first Director General. Under Dr. Morley's leadership, the first Canadian Symposium on Remote Sensing was held in February 1972 in Ottawa. CCRS has played a very active role in many aspects of the Canadian Remote Sensing Society ever since.

The CRSS-SCT represents scientists, professionals and students working in remote sensing in Canada and is the Canadian Ordinary Member of the ISPRS. Since 1972 it has organized the world's longest running national series of remote sensing symposia, the Canadian Symposium on Remote Sensing (CSRS). In 2026, the CSRS will be held in parallel with the ISPRS Congress.

The International Society for Photogrammetry and Remote Sensing (ISPRS) is a non-governmental organization that promotes international cooperation between the worldwide organizations with interests in the photogrammetric, remote sensing and spatial information sciences. Established in 1910, the ISPRS is the oldest international professional umbrella organization in its field, which may be summarized as addressing "information from imagery".

The scientific activities of the ISPRS are organized into five Technical Commissions (TCs):

- I. Sensor Systems;
- II. Photogrammetry;
- III. Remote Sensing;
- IV. Spatial Information Sciences; and
- V. Education and Outreach.

Its scientific meetings of various sizes take place over a four-year cycle, culminating with the Congress, the largest international conference devoted to photogrammetry, remote sensing and the spatial information sciences.

ISPRS 2026

ORGANIZING COMMITTEE MEMBERS

The Congress is being led by individuals and volunteers from the CRSS-SCT. The vision for this Congress is made possible by the willingness to share ideas, information, and the science with which we work across international borders. We look forward celebrating the many achievements of the ISPRS and its members and set the stage for the future as the member organizations of the ISPRS and the fields it represents come together in Toronto in 2026. The information that we develop is critical: our science and technologies underpin much of the world's economic and environmental activities. The story of "imagery to understanding" bears telling – and we plan to work with the rest of the world to tell it in Toronto in 2026.

THE VENUE

As the largest city in Canada and fourth largest in North America, Toronto is an ideal location to host the Congress. Toronto is a well-connected air transportation centre with direct flights to many destinations in Europe, Asia, Africa, South America and North America, and is well resourced in terms of accommodation, restaurants and entertainment. Travel within the city is very easy thanks to the dedicated train service from Pearson International Airport and Union train station downtown and the city's extensive transit network of subways (metro), streetcars (tram) and buses. The city is located close to many other attractions such as Niagara Falls and the wine region of the Niagara Peninsula that makes for an ideal day trip. Toronto is a very safe city to visit – named in 2021 as the second safest city in the world.

The ISPRS Congress will occupy the entire South Building of the Metro Toronto Convention Centre (MTCC). This exclusivity will allow for branding & sponsorship and many common areas where the delegates can network with their peers. MTCC is located in the heart of Canada's largest city & is globally acclaimed as a premier choice for event planners around the world. Featuring 41,063 sq. meters of exhibit space, 77 meeting rooms, multipurpose ballrooms and a state-of-the-art theatre for performing arts and corporate events.

SPONSORSHIP OPPORTUNITIES

We invite you to be part of the leading international Congress in photogrammetry, remote sensing and spatial Information. It is the largest event covering all the geospatial fields where digital imaging system designers, photogrammetrists, remote sensors and spatial information scientists meet, share their expertise and discuss industry trends. The ISPRS Congress was established to bridge the gap between science and industry within the ISPRS community, while bringing together researchers, policy-makers, local authorities and practitioners.

As a sponsor and/or exhibitor, your team will have the opportunity to network with these valuable contacts, providing a unique opportunity for your organization to gain widespread international exposure. The ISPRS Congress is your opportunity to make connections and forge meaningful partnerships through face-to-face interactions with a multidisciplinary audience from around the world.

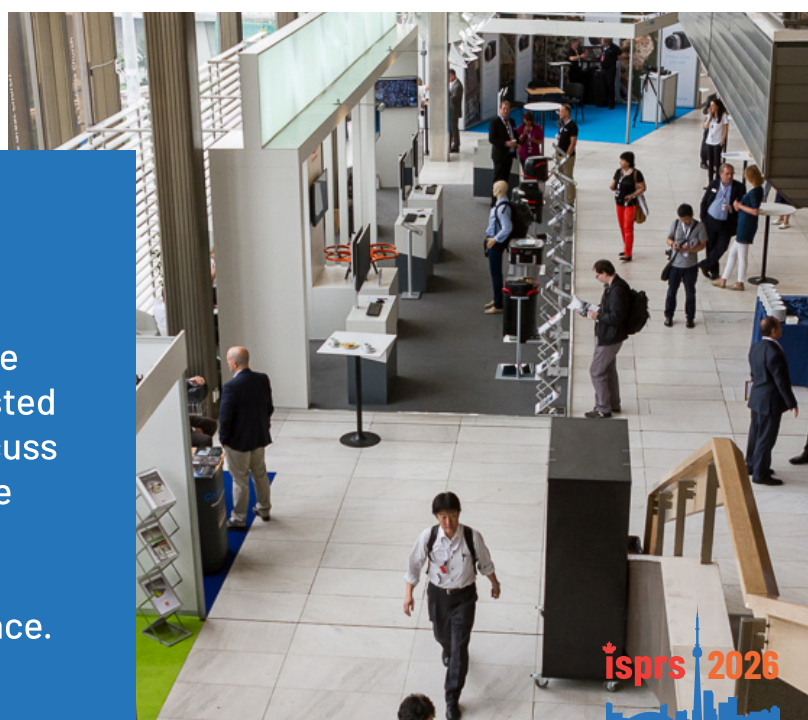

This document outlines the many options available for organizations to support the Congress and promote their products and services. Please do contact us should there be any opportunities you envision that are not listed in this prospectus: we would be happy to discuss other options to work together. We also invite you to visit the Congress website at www.isprs2026toronto.com for further information and to view the Program at a Glance.

Becoming a Sponsor and/or Exhibitor

Don't miss the opportunity to:

- ✓ Align your brand with an event that solidifies your leadership in the industry.
- ✓ Enhance your organization's profile on the global stage.
- ✓ Achieve the highest level of exposure to a vast multi-disciplinary market.
- ✓ Connect directly with influencers and key decision-makers.
- ✓ Engage with top talent to highlight your organization as an industry leader and a preferred employer.

Bookings for exhibition space at the 2026 ISPRS Congress in Toronto opens in early 2024. Details about the sponsorship and exhibition opportunities can be found in this brochure.

SPONSOR LEVELS

We can help you build a sponsorship package that matches your budget and meets your organization's objectives. To reach a sponsorship level, you can:

- Design your own sponsorship package by choosing items from the options shown in the next few pages (exhibit items, advertising opportunities, program support or marketing items), or

- Make a general contribution to the Congress, or
- Choose a combination of items and general contribution.

Upon reaching a spending threshold noted below, you will qualify for the benefits associated with that specific sponsorship level.

NETWORKING SESSION SPONSORSHIP

CAD 35,000

The ISPRS remains a dedicated supporter of fostering meaningful connections and collaborations within the industry. The Networking Sessions will facilitate interactions and connections among professionals, industry experts, or individuals with common interests.

Benefits:

- **Brand Visibility:** This sponsorship provides the sponsoring company with an opportunity to enhance its visibility, brand recognition, and engagement within a targeted audience.
- **Customized Engagement:** Tailor your engagement by showcasing your products, services, or innovations through a dedicated booth or short presentation during the session.
- **Recognition and Acknowledgment:** Receive special recognition during the networking session, with a dedicated acknowledgment of your company's support.

CARBON OFFSETS

CAD 35,000

The ISPRS is thrilled to announce our commitment to sustainability through our Carbon Offset Sponsorship Program. We are proud to offer a unique opportunity for businesses to join us in making a positive impact.

Benefits:

- **Offset Your Carbon Footprint:** By becoming a sponsor, your company actively participates in offsetting its carbon emissions. We work with certified projects that reduce carbon footprints, a tangible contribution to environmental sustainability.
- **Recognition and Brand Visibility:** Showcase your commitment to environmental responsibility. Sponsors will receive prominent recognition on all promotional materials, including event signage, marketing collateral, and digital platforms.

ACADEMIA SPONSORSHIP

JOB NOTICE BOARD SPONSORSHIP

CAD 10,000

A unique sponsorship opportunity for businesses aiming to elevate their brand presence in the recruitment landscape. Our Job Notice Board Sponsorship offers a strategic platform to connect with job seekers, professionals, and organizations actively participating in the industry job market.

Benefits:

- **Prime Visibility:** As a sponsor, your company will enjoy prime visibility on our Job Notice Board, a highly frequented space for job seekers and professionals. Your logo will be prominently featured, ensuring that your brand is at the forefront of the job-seeking community.
- **Exclusive Branding Opportunities:** Showcase your commitment to talent acquisition and professional development through exclusive branding on the Job Notice Board platform. Your company's logo and messaging will be integrated into the user interface, creating a seamless and impactful experience for users.

JOB INTERVIEW ROOM SPONSORSHIP

CAD 15,000

As the Job Interview Room Sponsor, your company will play a crucial role in providing a professional and inviting space for employers and candidates to connect.

Benefits:

- **Branding Dominance:** Your company logo prominently displayed at the entrance of all interview rooms, ensuring high visibility and recognition among employers, recruiters, and job seekers.
- **Exclusive Room Branding:** Enjoy exclusive branding within the interview rooms, creating a positive and professional atmosphere for job interviews. Your company's logo will be featured on interview room signage and materials.

DELEGATE TRANSIT PASSES

[Contact for pricing](#)

An exclusive sponsorship opportunity that goes beyond traditional event support. Our Delegate Transit Passes Sponsorship is designed to enhance the overall event experience for attendees while providing your brand with significant exposure.

Benefits:

- **Exclusive Transportation Provider:** As the sponsor of delegate transit passes, your company contributes to the accessibility for attendees, while having the opportunity to maximize brand visibility with every delegate.
- **Customized Promotional Materials:** Include promotional materials in the delegate transit pass distribution, allowing you to share targeted messages & content.

Note: We offer transit sponsorship tiers to provide you with diverse options. Please inquire with the sponsorship manager for more details.

STUDENT REGISTRATION SPONSOR

[Contact for pricing](#)

We understand the transformative power of education. By sponsoring student registration, your company not only demonstrates a commitment to fostering educational opportunities but also aligns itself with the future leaders of tomorrow.

Join us in making a positive impact on education and empowering students. Your company will play a pivotal role in providing access and opportunities for aspiring students.

Note: We offer student registration sponsorship tiers to provide you with diverse options. Please inquire with the sponsorship manager for more details.

BRANDED SPACE

SPEAKERS ROOM / PREVIEW ROOM

CAD 30,000 PER DAY

As the official Speakers Room / Preview Room Sponsor, your company will play a vital role in providing a comfortable and professional space for speakers to prepare and preview their presentations.

Your company logo prominently displayed at the entrance of the Speakers Room / Preview Room, ensuring high visibility and recognition among event speakers, organizers, and VIP attendees.

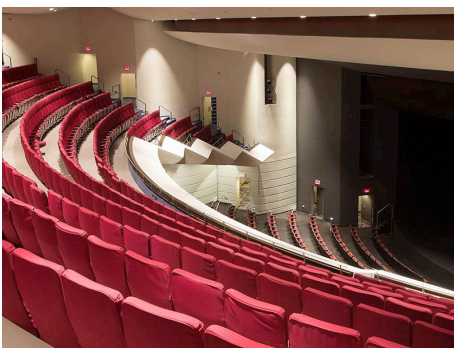

MEETING ROOM – OFFICE / HOSPITALITY

CAD 5,000 PER DAY

As the official Meeting Room / Office / Hospitality Sponsor, your company will contribute to creating a professional and welcoming space for networking and collaboration.

Your company logo will be prominently displayed at the entrance of the sponsored meeting room, ensuring high visibility and recognition among event attendees, business professionals, and decision-makers.

PLENARY THEATRE SPACE

Contact for pricing

An exclusive sponsorship opportunity that takes center stage at the ISPRS Congress. As the official Plenary Theatre Space Sponsor, your company will command attention and play a vital role in shaping the event's main stage experience.

Your company logo prominently displayed on the main stage backdrop, ensuring maximum visibility and recognition among event attendees, industry leaders, and influencers.

CHILD CARE SPACE

CAD 20,000

We are committed to supporting families and creating inclusive event spaces.

By sponsoring the Child Care Space, your company not only aligns itself with a family-friendly environment but also gains exposure to a diverse and appreciative audience. Seize this opportunity to showcase your commitment to community support and leave a positive impact at the ISPRS Congress.
